

# How to Set Up Your YouTube Channel

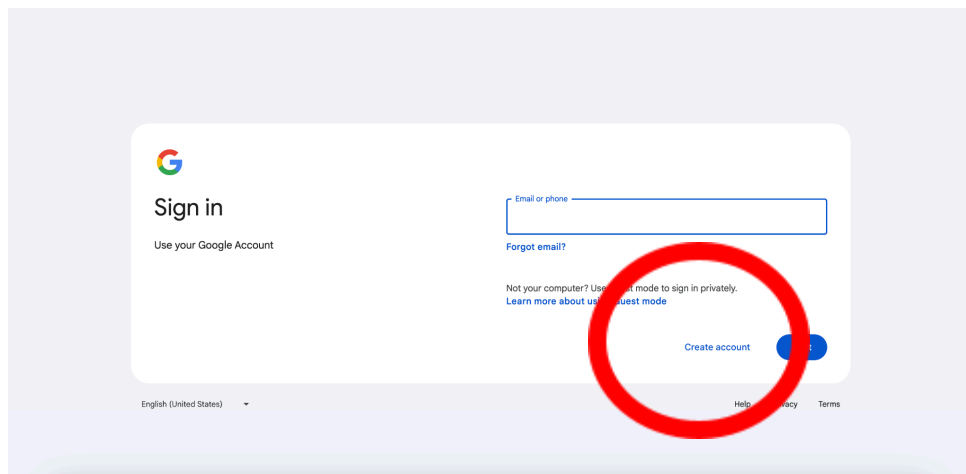

## Step 1: Create a Google Account

To get started on YouTube, you'll need a Google account.

1. Go to [YouTube.com](https://www.youtube.com) and click "Sign In" in the top-right corner.

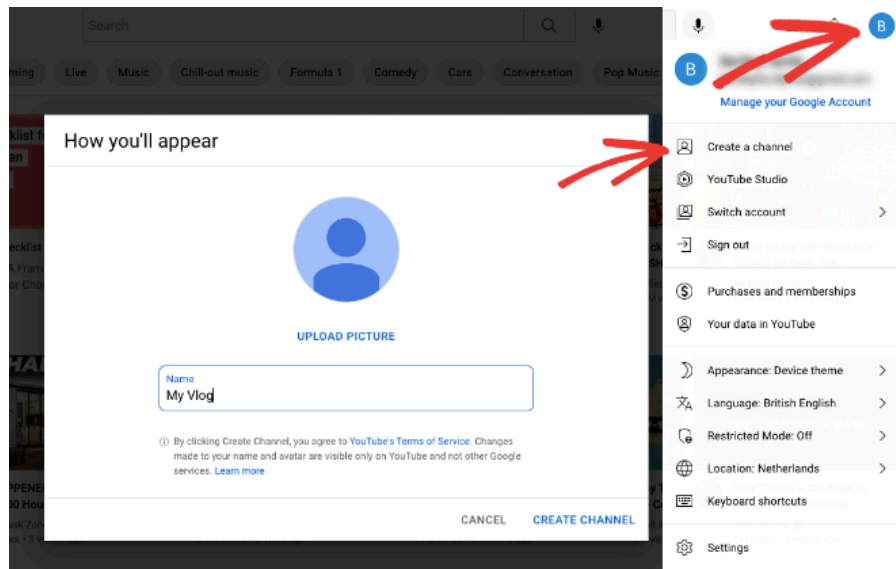

2. If you don't already have an account, follow the prompts to create one.

## Step 2: Create Your YouTube Channel

1. Once signed into YouTube, click on your profile picture in the top-right corner.
2. Click “Create a Channel” from the dropdown menu.
3. You’ll be asked to choose a name for your channel. This could be your own name or something related to what you want to share.

Now that your channel is ready, you're all set to personalize and upload your first video!
